BOARD OF DIRECTORS (2017-2018)

SAMGA President, Robert “Smitty” Smith

Robert is originally from Johnstown, Pennsylvania. He served 26 years in the US Air Force both as a Non-commissioned and Commissioned Officer in various assignments all over the world.

He started playing golf because it was a great alternative to other, more physical sports where Officer's were not encouraged to participate (e.g., softball, football, etc.). In other words when it became too difficult to carry the ball or shoot it over people, i.e., he became too old, he looked for less contact and less painful ways of competing.

Robert is a charter member of SAMGA, and became President in 2014 in order to continue and grow our membership and impact the programs we support as a charity.

When not playing golf, Robert is the Director of Indefinite Delivery and Indefinite Quantity (IDIQ) Programs for NCI information Systems, a large defense contractor, and a member of Armed Forces Communications and Electronics Association (AFCEA).
